ROCKY POINT

Driving instructions: From the north (the border) simply follow the main road you are on, Avenue Benito Juarez, south into Rocky Point. You will see a pedestrian bridge over the road. Immediately underneath it turn right onto Avenue Miguel Hildago (often referred to by residents as "Calle 13"). You will go over a railroad track. Simply proceed straight ahead to the top of a small hill where the road ends. Turn left. Our offices are in Plaza Las Glorias, immediately to your left.
